

**FAIRVIEW CEMETERY, MANTION MI**

1. A "Lot" consists of 5 "Graves"
2. Each Lot has a concrete or metal Lot marker in the North East Corner.
3. Sometimes these are VERY hard to find.
4. The Lot is measured 10 feet West from the Marker and 20 feet South from the Marker.
5. Each Grave in the lot is 10' X 4'.
6. The Graves in the Lot are numbered from North to South, 1 to 5
7. There are MANY roads and walkways of different widths in the cemetery. The cemetery map MUST be consulted to determine where these are located.
